

IRCHESTER SEND PARENTS GROUP

Irchester Community Primary School is starting a termly group for those parents who have a child or children with a Special Educational Need or Disability.

It can be a minefield - identification-diagnosis- specialised resources-medical pathways-specialised assessments-so much to understand- a learning journey!

We are starting the group so that hopefully we can provide support for each other, share information and resources and discuss the needs of SEND children.

Outside SEND specialists will be invited to attend to provide up to date advice and to be available to answer questions.

Our first meeting is going to be on **Thursday 18th January from 2pm to 3pm in the Training Room.**

Cakes and refreshments will be available.

Please come along and meet with Mrs Sharp ,our SENDCO (Special Educational Needs and Disability Co-ordinator) and Mrs Thom, our FLW (Family Link Worker).

We need your input to make sure that we are planning for your needs. If you would like further information about what's involved, please have a chat with Mrs Thom on the gate or pop in and ask to see Mrs Sharp.

Look forward to seeing you on the 18th January-please let us know if you plan to come along so we can make sure we have enough cakes!!
